

Search 7 Years of Beverage Digest on 1 CD-ROM

- **All Issues of the Newsletter and Green Sheets for 2001-2007.**
- **Find what you want Quickly.**
- **In Handy PDF Format.**
- **Works on any Computer With a CD Drive.**

Dear Executive:

Have you ever spent time trying to find something in a back issue of Beverage Digest?

Do you keep your back issues in unwieldy binders, and are there always some issues missing?

This will help: all issues from **2001 through 2007 on a single CD-ROM.**

The **CD-ROM includes all issues and all Green Sheets** (excluding franchise territory maps).

This should be a tremendous convenience.

Searchable. You can search electronically and simply. If you want to find references to Coke Zero, Pepsi Jazz or 7UP Plus, for example, just enter the name in the search feature, and references will be highlighted. Everything is in handy Adobe Acrobat PDF format.

The CD-ROM works on any computer with a CD-ROM drive which reads PDF files.

For current Beverage Digest subscribers, the CD is priced at \$195. For others, it is \$650. You may order using the form on the reverse side of this letter.

If you have any questions, please don't hesitate to call me. Thank you.

Sincerely,

John Sicher, Editor/Publisher
